How do I setup my landline with DUO for the first time?

Tell Me

When you first register your account in DUO, you can set up a landline using the steps below:

1. Log into DUO using your NinerNET credentials
2. Click Start setup >
3. Select the Landline option and click Continue
4. Enter your phone number and you should be prompted to Double-check your number
5. Click the checkbox to confirm the number is correct and click Continue
6. You should see a box saying the device is successfully enrolled
