What is the Look Ahead feature?

Tell Me

1. This feature allows you to see a temporary audit including courses for which you plan to register in the future. After clicking the "Look Ahead" link, enter the subject and course number for each course you anticipate taking. Click "Add Course" after each one. As you add courses they will appear in the "Courses you are taking" section. When you've added all of the courses you wish to consider, click "Process New" to see how those courses would fit into your audit.
