What is the Independent Contractor Checklist (ICC) eForm?

Tell Me

The ICC eForm went live in May 2017, replacing the Google ICC Form.

1. The ICC eForm is used to determine the worker classification (Independent Contractor or Employee) of a service provider.
2. Access the ICC eForm if you need to complete and submit a checklist for an independent contractor your department would like to hire.
3. A detailed ICC eForm manual is available for your reference.
