How can I tell who has viewed the video I added to my Canvas course?

Tell Me

1. In your Canvas course, click the **Media Gallery** link.

2. In the **Actions** drop-down list, select **Analytics**.

3. The analytics page is displayed:
   a. Each video displays the number of times students have played the video.
   b. The User Engagement and Contribution area displays the students and how many times they have played the video.
