How do I sign up for Duo if I am a student?

Beginning March 16 2021, students will be required to enroll in Duo before resetting their passwords.

The best experience with Duo is using the mobile app. These instructions are written for that experience. If you need to configure a fob, see this FAQ.

Before you begin, make sure you can do these three things:

1. You're at a computer, not phone/tablet
2. Have 5 minutes to complete the sign up
3. If possible, enroll two devices (e.g. mobile/office/home phone, a tablet)
