

How do I get access to UNC Charlotte Zoom backgrounds?

Tell Me

A number of UNC Charlotte themed backgrounds have been uploaded into the system for use - follow the below steps to use your favorite.

 If not seeing the backgrounds when doing the below steps, follow these [instructions](#) to update your Zoom app to the latest version. The Zoom app must be on version 5.1 or higher to use these virtual backgrounds.

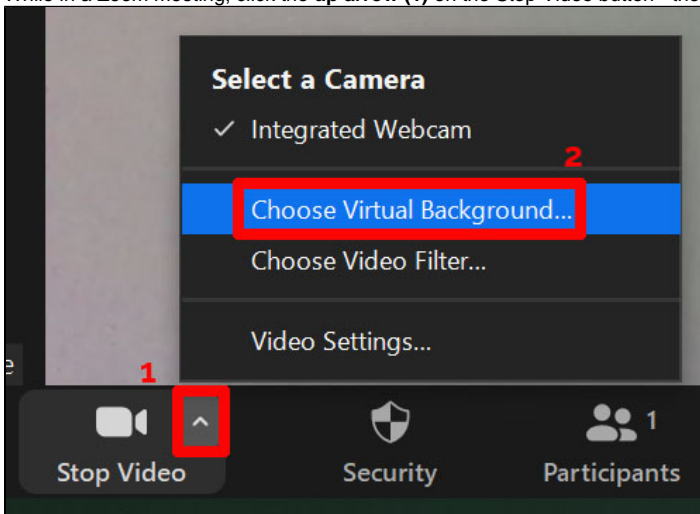

From the Zoom app...

1. Launch the Zoom app
2. Click the **Settings** button (gear icon in upper right corner)
3. Click **Background & Filters**
4. Select the background that you like best

 Hint - turn your camera on to see which looks best!

During a Zoom meeting...

1. While in a Zoom meeting, click the **up arrow (1)** on the Stop Video button - then click **Choose Virtual Background...**

2. Click the Virtual Background you want to use
