**How do I sign up for Duo if I am a student?**

1. **Beginning March 16 2021, students will be required to enroll in Duo before resetting their passwords.**

2. **The best experience with Duo is using the mobile app. These instructions are written for that experience. If you need to configure a fob, see this FAQ.**

   Before you begin, make sure you can do these three things:
   
   1. **You're at a computer,** not phone/tablet
   2. Have 5 minutes to complete the sign up
   3. If possible, enroll two devices (e.g. mobile/office/home phone, a tablet)

The following instructions are a guide through the Duo Self-Enrollment process for students that do not already have Duo

1. **Browse to ninernet.uncc.edu**
2. **Click Manage Account** and login

---

**FOR STUDENTS - If you are not enrolled in Duo, you will see the following and will be unable to change your password...**
3. Click **Secure your account now** in the Duo Two-Factor Authentication section

You do NOT currently have Duo enabled.

Before you begin, make sure you:
1. Use a computer, not a phone or tablet
2. Have 5 minutes to complete the process
3. Enroll two devices if possible (e.g. mobile/office/home phone or tablet)
4. Follow the steps in [this FAQ](#).

As soon as you click the link below, Duo will be enabled for your account.

Two-factor authentication enhances the security of your account by using a secondary device to verify your identity. This prevents anyone but you from accessing your account, even if they know your password.

This process will help you set up your account with this added layer of security.
