

# How do I assign different assignment due dates for sections in my combined Canvas course?

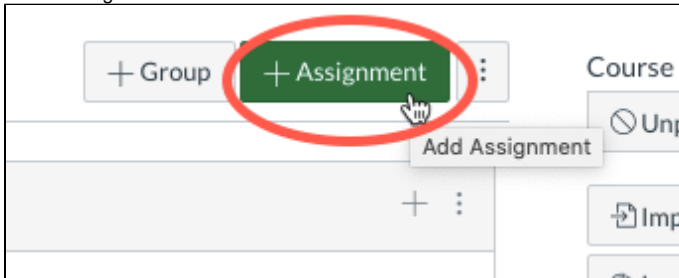

Tell Me

You can use the same assignment for all sections. You can assign different available and due dates for each section

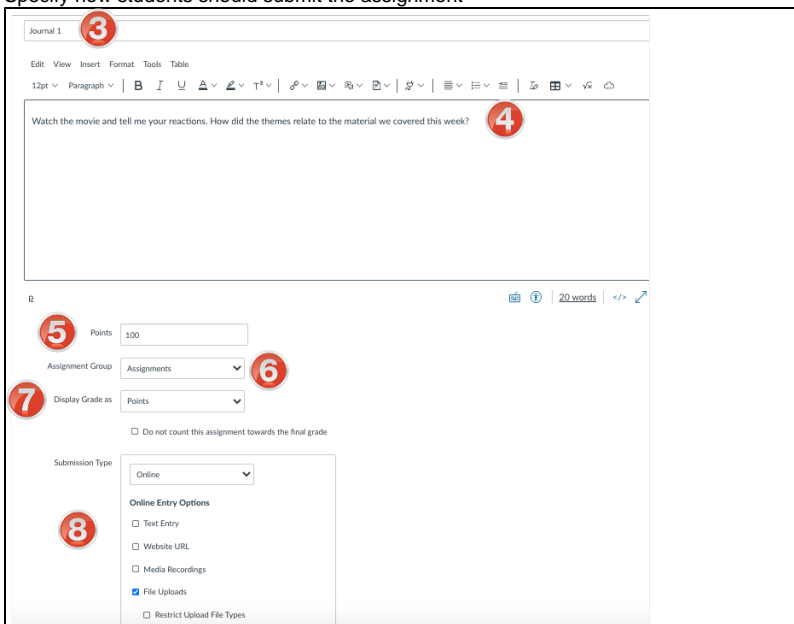

1. In the course navigation, click the **Assignments** link

2. Click +Assignment

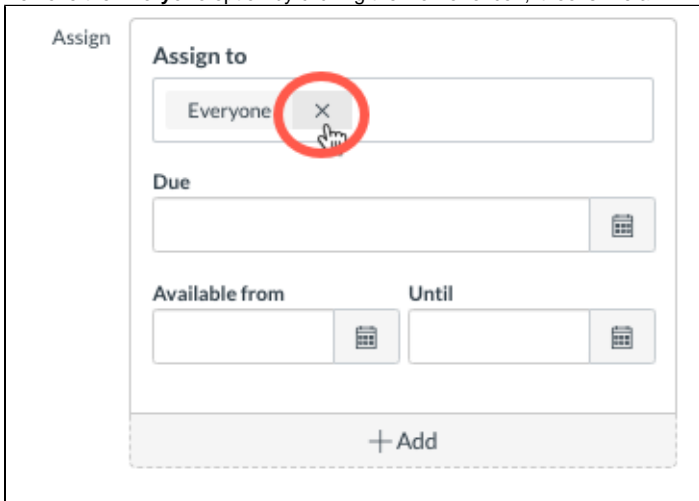

3. In the Assignment name text box, type the name of the assignment
4. In the HTML editor, type the assignment directions
5. Specify the number of points the assignment is worth
6. Specify what group the assignment should be assigned to
7. Indicate whether the assignment grade should be displayed as points or percentage
8. Specify how students should submit the assignment

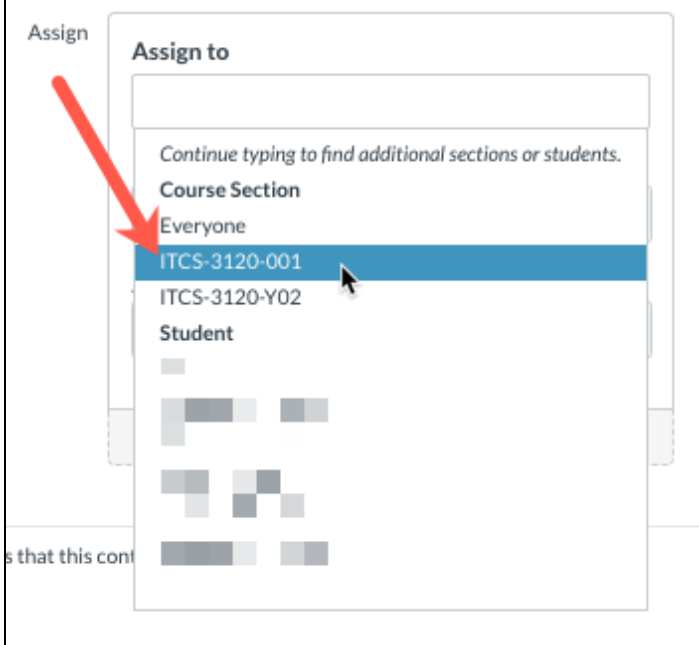

9. Scroll to view the **Assign** area

10. Remove the **Everyone** option by clicking the **Remove** icon, it looks like an x

The screenshot shows the 'Assign to' dropdown menu in a form. The 'Everyone' option is selected and highlighted. A red circle is drawn around the 'Remove' icon (an 'x' with a hand cursor) next to the 'Everyone' option. Below the dropdown, there are fields for 'Due', 'Available from', and 'Until', each with a calendar icon. At the bottom of the form is a '+ Add' button.

11. In the drop-down list, select the section you are setting up the assignment dates

The screenshot shows the 'Assign to' dropdown menu with a search bar at the top. Below the search bar, there is a list of options under the heading 'Course Section'. The options are 'Everyone', 'ITCS-3120-001', and 'ITCS-3120-Y02'. The 'ITCS-3120-001' option is highlighted in blue. A red arrow points to the 'ITCS-3120-001' option. Below the 'Course Section' list, there is a section for 'Student' with a search bar and a list of student names represented by small grey squares.

**i All Sections**

If you do not see the section you want to set the dates for, start typing the course subject code. All matches will be displayed and you can choose the section you want
