

How do I manage teaching activities with Zoom?

Tell Me

Zoom offers several [Zoom Education Webinar](#) sessions each week with a live host to answer your questions, and focus on the following topics:

- How to download Zoom applications and join a Zoom meeting
- How to schedule a meeting and send out invitations
- In-meeting controls and differentiation tools (including the waiting room, share screen, breakout rooms)

Zoom also has short videos and resources to help with common teaching activities:
