

What Google Workspace (formerly G Suite) Apps are available at UNC Charlotte?

Tell Me

Warning

The **Google Workspace Core Apps** are covered by the **University's Terms of Service** agreement; the **Consumer and Marketplace Apps are not**. When using these apps the first time, you will be asked to enter into a personal Terms of Service Agreement with Google. Since use of these apps is covered under a personal agreement, NEVER post confidential information in order to avoid the risk of exposing sensitive information.

Google Marketplace App developers can change their terms of use and functionality available through their apps at any time.

1. The Consumer Apps have limited support; troubleshooting is limited to best effort
2. These Marketplace Apps and Add-ons are not supported by the Office of OneIT and may be removed at any time if usability or security risk changes. Use at your own risk.
3. See this [FAQ](#) if you would like to request a Google Consumer/Marketplace App or Add-on
4. See this [FAQ](#) for more information on how Google applications are supported

Google Workspace Core Apps	Google Consumer Apps	Google Marketplace Apps
