

How do I request software to be added to Apporto for a class I am teaching?

Tell Me

If you are an instructor and need specialized software added to Apporto:

1. Check to make sure the software is not already available in Apporto, see [this FAQ](#)
2. Make sure the software license allows for the software to be used in Apporto
3. Contact the IT Service Desk, call 704-687-5500 (x75500)
 - a. Let them know the software you need and the dates, times and size of the class
 - b. Please provide license information and confirm installer availability
4. The Apporto Administrators will review the request and work out logistics with OneIT staff

Info

Please provide as much advance notice as possible.
